Camera Set up

Good morning/afternoon,

Proctors will now begin verifying all camera setups. Please turn on your cameras to facilitate this process.

If your camera setup is found to be incorrect, a proctor will reach out to you directly via a private message. There is no need to raise a concern if your setup is deemed correct.

Please be reminded that it is mandatory to have two camera devices: one positioned at the front and one positioned on the side.

Thank you for your cooperation and adherence to these instructions.

Unforeseen issues:

Hi!

Please assess your situation if you are able to continue with the examination. If not, you may send an email regarding your issue, and we highly advise providing proof for review by the CHRA Committee for possible rescheduling of your examination.

Please send it to this email: chra@hreap.org.

Thank you.
